

Commodore Perry High School

Requirements and Procedures for Paid and Non-paid Coaching Positions

Paid Coaches (Head and Assistants)

1. Names of all prospective head coaches for each sport will be brought before the board for approval at the May meeting of the board. In addition, assistant coaches for fall sports may be brought before the board for approval at the May meeting.
2. Coaches may be approved by board action pending clearances as long as proof of application for clearances (Acts 34, 114, and 151) has been submitted to the High School Principal through the Athletic Director.
3. A finalized copy of all clearances along with proof of CPR Certification, Sudden Cardiac Arrest training, and Concussion training must be submitted to the high school principal before the beginning of the relevant athletic season and/or prior to the commencement of an extended training camp.

Volunteer Assistant Coaches

1. Names of Volunteer Assistant Coaches will be brought before the board for approval at the same time as paid assistant coaches for the next season and preferably on the following schedule.
 - a. Fall Sports: By the May or June meeting of the board
 - b. Winter Sports: By the October meeting of the board
 - c. Spring Sports: By the January meeting of the board
2. Volunteer Assistant coaches are required to hold only the Act 34 and 151 clearances and may be approved pending clearances.
3. A finalized copy of both clearances must be submitted to the high school principal when completed.
