October 15, 2020

Dear Parents/Guardians,

We have been notified that two students tested positive for COVID-19. These students have not been in school since last week and had no symptoms while in school that would indicate any concern in regards to exposure to others. We assure you that the district will maintain communication with the Department of Health on this and any cases in the future and will follow all directives as given.

Also, please know that we cannot violate HIPAA and reveal specifics about students' identities, condition, etc.; however, we will continue to update you as appropriate. It is our goal to keep our students and staff as safe as possible.

Sincerely,

Kimberly J. Zippie

Superintendent
