

Career Center Students and Families,

With the recent shift to ALL CP remote learning for our Career Center students, I felt it necessary to share the expectations for our Career Center Students. Additionally, I have included a list of transportation dates that covers the time starting on November 18th and running until December 4th. This transportation will follow your established MCCC Hybrid plan. Students will need to provide their own transportation to and from CP. Or, if able and approved, they could drive directly to the Career Center. If you are planning to ride the bus, please be at CP by 11:25 am each morning that you have in-person instruction, and arrange pick-up by 3:00 pm on those days as well.

If you are a career center student who is currently quarantined, you will be able to resume your MCCC In-person schedule on December 1st. The Career Center should be working with you in the mean time to accommodate your needs.

If you have any further questions, please contact the high school office at 724-253-2232.
