Updated Athletic Guidelines (Effective 11/18/20):

On Monday November 16, 2020 the Commodore Perry School Board and Superintendent decided it was in the best interest of the district to go fully remote until December 7th, 2020. This change directly affects our winter sports programs as their seasons, which were set to begin November 20, will now be put on hold. There will be no workouts, conditioning, practices, or scrimmages until December 7. The PIAA requires 15 practices (3 weeks) before competition can begin. The Athletic Department is currently working to reschedule all winter sport events affected by this COVID related delay.

In addition to the delayed start, the Commodore Perry School Board also decided to modify our current spectator policy for athletic events. Commodore Perry will continue to follow the state recommended capacity limit of 20%, but that number will not consist of any visiting spectators. In an effort to keep our building safe and clean, only Commodore Perry spectators will be permitted at athletic events. These guidelines will be revisited as more information is gathered and new recommendations come from the Pennsylvania Department of Health and the Pennsylvania Department of Education.
