Commodore Perry School District Chromebook Home Use Loan Agreement

A Chromebook and accessories in good working condition are being lent to each student. Each student's acceptance of the equipment indicates the student's and parent/guardian's acceptance of the responsibility to care for the equipment and ensure that it is kept secure and functional, as expressed in this document.

This device always remains the property of the Commodore Perry School District and is lent to the student for educational purposes only. The student may not deface or destroy this property in any way. The device is for the use of the student only; family and friends should not use the device. The device will be returned when requested by the Commodore Perry School District at the end of the school year or sooner if the student is enrolled in Alternative Education, withdraws, or graduates from the District prior to the end of the school year.

The District property may be used by the student only for non-commercial purposes, in accordance with District policies and rules, the District's Internet Acceptable Use Policy, as well as local, state, and federal law.

The student may not make or allow others to make any attempts to add, delete, access, or modify district-owned information on any Chromebook.

Serial numbers for each device are recorded. No labels are to be removed or modified. If they become damaged or missing, contact the building office for replacements. Additional stickers, labels, tags, or markings of any kind are not to be added to the device.

The student agrees to use best efforts to ensure that the device is not damaged, or rendered inoperable by any electronic means, including virus or OS rooting activities, while in the student's possession.

The student acknowledges and agrees that the student's use of the device is a privilege and that by the student's agreement to the terms hereof, the student acknowledges the student's responsibility to protect and safeguard the device and to return it in good condition upon request to the Commodore Perry School District.
