

# UPMC Pathways for Students Career Fair

Wednesday, Dec. 6 • 10 a.m. to 2 p.m. • Petersen Events Center

## You're invited!

At UPMC, we offer the resources and opportunities for you to get started in a great career, no matter where you are in your academic journey. Whatever direction you're wanting to go, choosing a career opportunity with UPMC is a choice that you can make with confidence.

Join us to learn about exciting and impactful entry-level, full-time, and part-time career opportunities with UPMC! Plus, enjoy free food, activities, giveaways, and more!

## Setting Students up for Success

UPMC has a wide variety of career options, and we're here to make sure students know about their opportunities! In addition to training programs geared toward high school graduates, UPMC offers entry-level careers, along with roles for those with advanced education. More than 92,000 employees at UPMC found careers that are right for them — and we're confident that you can, too!

Join us to learn about opportunities available in:

- Nursing & Nursing Support
- Labs
- Respiratory Services
- Finance
- Human Resources
- Safety & Security
- Emergency Medical Services (EMS)
- Office & Administrative Support
- Insurance Services

## Why Choose UPMC?

- Many **entry-level positions** available for soon-to-be and recent high school graduates offer **on-the-job training**
- Pursue your academic goals with confidence with **\$6,000/academic year in tuition reimbursement**, as well as **student loan assistance programs** for UPMC employees
- Explore **tools designed for your success**, from industry-leading benefits, endless growth opportunities, designated career development resources, and more
- Contribute to **difference-making work** and play a part in UPMC's mission to **change health care for the better**

## Learn More and Register Your School

Help students learn about their career opportunities! Please contact Erik Orient at [oriente@upmc.edu](mailto:oriente@upmc.edu) to learn more, register your school, or ask any questions you may have.
