The Crystal Lake Foundation was created by The Mahoning Sportsman's Association in 2013 to provide Grant monies for local charities and non-profit organizations, provide numerous yearly Scholarships for post-secondary education, and host multiple youth activities such as fishing derby's, youth field days and archery leagues. In recent year's we have refocused our course to provide more to the youth in our community and therefore will be providing more scholarships than in previous year's. The Crystal Lake Foundation scholarship was created to provide opportunities for local youth to pursue post-secondary education.

There will be numerous scholarships available each year, notifying recipients July 1st.
