

The Buhl Regional Health Foundation provides scholarships to students pursuing careers in health-related fields. BRHF Scholarship Funding has been established to provide financial support to graduating seniors in Mercer County who are going into a health care field pursuing a diploma, certificate or degree. These are limited, one-time, non-renewable grants that are paid directly to the educational institution and applied only to the tuition of a student who is enrolled and in good standing.

Scholarship Applications are open from January 16 – February 28, 2023. Scholarships are available to graduating seniors in Mercer County who are going into a health care field pursuing a diploma, certificate or degree. Grant recipients are high school seniors who are well-balanced and are most likely to succeed in their chosen professions by giving back to their community in a health care role.
